

## Hello and welcome to The Mill!

This is the 28<sup>th</sup> version of our menu since we started way back in February 2014. Our ethos is simple, we cook food, serve you and get you drinks. We don't protect the country or cure the sick. But hopefully people enjoy what we cook & serve, have a nice time with their friends and family, leave happy & for those hours, life is good..... That's enough

Team Mill Xx Est. 2014

The same ethos is applied at our Italian bistro around the corner called il mulino (Italian for The Mill)
